NOTE:

- Registration fees can be paid at our helpdesk from 8 AM on September 23. To avoid delay in participation in the events, registrants are requested to come as early as possible.
- Students are requested to enrol at our helpdesk at least half an hour before the commencement of their events, to receive their ID cards. Students who appear in an event venue without their ID cards will not be permitted to attend the events.
- **On-spot registration is also available for all events.**
- The event schedule is fixed and cannot be altered according to the wish of the participants. Absence of a participant in an event after ten minutes of commencement of an event will result in his/her disqualification.
- The prelims for the quiz-type events will be a written test. The number of questions, type of questions and selection process is up to the event coordinators.
- **The prelims of the double round events can be taken any time between the allotted time.** The prelims will be in such a way that participants participating in quiz prelims can take up their prelims, then come and attend the prelims for the double round events.
- Similarly, participants participating in the finals of quiz-type events and the finals of the double round events can **take up the finals of the double round events anytime between the allotted time.**
- The certificates for all the events will be distributed between 3:50 PM and 4:30 PM on the same day as that of the event.
- Paper Presentation, Project Presentation, and Death Race have separate registration fees and will not come under the registered six events.
- Any malpractice in the registration, tampering of ID cards or food tokens and non-ethical behaviour during the course of the events is strictly discouraged and may result in disqualification of the registrant from all events. Participants are requested to maintain good sportsmanship and conduct with their opponents.
- The event venue will be sent through mail to the participants on/before September 21. Students are requested to approach the helpdesk for queries and clarifications anytime between 8 AM and 5 PM.
